

Faculty Development Program

Research Methods in Organizational Behavior and Human Resource Management

AICTE Sponsored Short Term Course

(Online) (Feb 21-26 2022)

Coordinators

V. Vijayalakshmi & Rupashree Baral

(Faculty- Department of Management
Studies, IIT Madras)

Organized by

Centre for Continuing Education
Indian Institute of Technology Madras

PROGRAM OVERVIEW

"Somewhere, something incredible is waiting to be known."

Dr. Carl Sagan

(American Astronomer, Writer, Scientist, 1934-1996)

Research is a beautiful journey, a journey of intense inquiry and revelation. Each researcher goes through a personal transformation while engaging in the process of research. This program envisions the confluence of a group of serious researchers who are deeply interested in unearthing interesting propositions and sharing mutually benefiting best practices in the field of management research.

Program Contents

The program would help develop knowledge and skills in the following phases of research

- Selecting a research problem
- Reviewing literature
- Designing a conceptual framework
- Preparing the survey instrument
- Collecting data
- Analyzing and interpreting data
- Writing the dissertation
- Publishing research work

Resource Persons

Resource persons for the program include experts from IIT Madras and from other reputed institutions.

Delivery

This 6-day program is aimed at empowering participants engaged in research through a combination of lectures, hands-on experiences, and interactive sessions where participants can present their research work and receive inputs and feedback from experts.

Eligibility

We want to provide deep knowledge related to OB-HR streams, therefore faculty and doctoral students in the OB- HR area only may please apply from AICTE approved institutes.

Registration

The first 30 faculty registrations are complimentary - First Come First Basis, post which with a fee for Faculty @ Rs. 1000.

Program is complimentary for research students.

Indian Institute of Technology Madras, established in 1959, is one among the foremost institutes of national importance in higher technological education, basic and applied research. It has established itself as a premier centre for teaching, research and industrial consultancy in the country.

The Department of Management Studies, started in 2001, was conceptualised taking into account the strong and urgent need for well educated and developed managers who would not only be able to understand the finer nuances of business but also be able to put in practice the knowledge and values acquired during the program.
